We respectfully ask that AA speakers and AA members not be photographed, videotaped, or identified by full name on audio tapes or in published or broadcast reports of meetings, including those on the Internet. Out of respect for others, please do not take photographs during any meetings. Also, be considerate when taking photographs around the convention facility. Take care that you do not capture images of AA members, family, and friends who did not give permission and may not wish to appear in your pictures. Please do not post recognizable photos of identifiable AA members on websites accessible to the public, including unrestricted pages on social networking sites.

Badges **MUST BE WORN** at all times and are required for entry into all conference activities, except marathon meetings. Our insurance requires all attendees visibly wear their badges at all times and we thank you for your cooperation in this matter.
