Ask a committee member how to get involved

“Our public relations policy is based on attraction rather than promotion. We need always maintain anonymity at the level of press, radio and films.”

We respectfully ask that A.A. speakers and A.A. members not be photographed, videotaped, or identified by full name on audio tapes or in published or broadcast reports of meetings, including those on the Internet.

Out of respect for others, please do not take photographs during any meetings. Also, be considerate when taking photographs around the convention facility. Take care that you do not capture images of A.A. members, family members, and friends who did not give permission and may not wish to appear in your pictures.
